CONTINUES TO BE A RED

Many Callers at His Suburban

on Release.

Special Dispatch to THE NEW YORK HERALD.
CHICAGO, Nov. 30.—William Brock Lloyd, wealthy Chicago communist leader, ate his Thanksgiving turkey surrounded by his family at his home in Winnetka to-day. The millionaire, pardoned Wednesday with fellow communists by Gov. Small, received several callers during the day, all congratulating him on his quick release from Joliet penitentiary, where he had been under sentence of one to five years.

Among the callers were several other wealthy residents of Winnetka and other North Shore towns. Several men of radical tendencies also called to extend their well wishes to the man who styled himself "the reddest of the reds."

Lloyd arrived from Joliet in a limousine with Mrs. Lloyd, who met him at the prison gates in the car. They were accompanied by Robert Howe, Lloyd's secretary. Mrs. Lloyd was gratified beyond measure when her husband lifted his hat, showing that his hair had not been cut prison style.

Lloyd had the \$10 "gate money" received by all released prisoners besides 87 cents for transportation. He left the penitentiary with \$260.45. When he entered, on November 22, he had \$252.93. He spent \$2.41 during his eight days in prison.

At his home Lloyd would not discuss any plans for the immediate future. It is known, however, that he still proclaims himself a radical and will continue his activity in the Communist movement.

Gov. Small based his clemency on the dissenting opinion of Justice Orrin N. Carter, who doubted the constitutionality of the Illinois espionage act.

Two men who had not begun serving their sentences were not included in the

Pastors Pray for Coal and Rain After Fires

CAPE MAY, N. J., Nov. 30.—At a union Thanksgiving service in the First Presbyterian Church to-day, the pastor, the Rev. C. O. Bosserman, and the Rev. George Hillman of the Methodist Episcopal Church, prayed for both fire and water.

It has not rained in lower Cape May county in many weeks and the coal situation is acute. There is not a pound of nut coal in the coal yards of the city. Forest fires, which are now extinguished, burned up considerable fire wood. Cordwood is bringing as high as \$16 a cord.

pardon order. L. K. Katterfield is in Russia, but has cabled he would surrender. Dr. O. J. Brown, when the pardons were issued, was a patient in a local hospital, where he had submitted to an operation. He died yesterday.

SLAYER SUSPECT FLEES POLICE BY WINDOW LEAP

Dives Through Glass as
Cordon of Officers Watch.

WOONSOCKET, R. I., Nov. 30.—Leaping through a closed window of his home amidst a shower of flying glass in plain view of a cordon of Woonsocket police and Massachusetts State officers, reinforced by a German police dog, Isador Gullbault, sought in connection with the killing of Albert Touchette in a grocery store holdup last night in Blackstone, Mass., to-day made his escape into the neighboring woods.

A fire alarm was sounded and a riot call summoned all available police officers to aid in the widespread hunt that was started.

Touchette was shot by a bandit who entered his store and demanded money. The bandit fired twice and Touchette returned the fire.

To-day the Woonsocket police got a tip that a man had been seen limping into the Gullbault home on Burnside avenue. They surrounded the house and the Massachusetts officers were summoned.

Gullbault, seated at a Thanksgiving dinner when the cordon was drawn about the place, ran to the rear of the house, leaped through the window and before the police realized what was happening, was almost out of sight.

Flint's Fine Furniture

A GIFT of furniture is a gift that entwines itself more closely as the years roll by. The chair or desk you send to-day will be just as charming ten years hence. And when the Christmas of 1932 rolls 'round, your gift will still be the earnest of your Christmas good-will of 1922. Very decidedly, a durable gift need not be an expensive one. These nested tables are solid mahogany and cost \$36 for the set.

"A Perfect Car"

says Peter B. Kyne

"The Marmon four-passenger speedster, which I purchased a few months ago is the greatest Marmon you have ever turned out. I think it is a perfect car. It speaks along like a little gray ghost, and I am perfectly wild about it. I think when I get a closed car for my wife that I shall get a Marmon limousine."

Peter B. Kyne

THE nationwide investigation of Marmon owners' maintenance costs for routine repairs and upkeep, proves our statement: "The finest form of transportation at the lowest cost per mile."

Sworn figures covering all owners of the 1922 series Marmons in New York show the average maintenance cost to be \$4.35 per car per month. We will be glad to show these to any interested person. It is surprising how little it costs to drive a Marmon.

Now with Marmon Standardized Service, costs should be still lower. Whenever a recent series Marmon comes to our service station for repair or overhaul, the owner is told in advance exactly what the cost will be, and the length of time the car will be in the shop. This is the last word in Service.
